- Certificate

**CONE CONNECTION**  
between implant and abutment ensures perfect seal and no screw loosening

#### Gen WELD MK II

Next Generation Intra Oral Welder

#### Faculty

**Dr Prem Nanda**  
MDS

**Surgical Protocol: Dr Prem Nanda**, He is a pioneer of Basal Implantology and the first clinician in India to practice and teach the the use of cortical anchorage for immediate loading and also now pioneered the use and teaching of intraoral welding techniques for predictable implantology.

**Prosthetic Protocol: Dr. Sacheev Nanda**, MDS. Stood First in Prosthodontics, Bharati Vidyapeeth University. Started Dental Implantology in 2006, Believes that the key to long term success with implant restorations is proper prosthetic planning and execution. Pre-surgical prosthetic evaluation is essential. Simple clinical assessments made prior to surgery can go a long way towards ensuring functional & aesthetic restorations.

**Dr Sacheev Nanda**  
MDS
